

A decorative border of small globe icons, each showing a different continent, surrounds the entire page. The globes are arranged in a rectangular frame with rounded corners.

# Street Detectives!

All of the activities in the first box need to be completed in your child's homework book and handed in on the day stated. There are some extra creative activities in the second box if you would like to complete them and hand them in at the same time.

## To be handed in on 27/3/24

- Look in detail at the outside of your own house and make a careful observational drawing
- Go on a walk around your local area. Write down the different kinds of buildings you see. What are the buildings used for?
- Go on a walk around your local area. Write down 5 human features (man-made) and 5 natural features (made by God/nature) that you see. Can you draw pictures to go with them?
- Make a simple map that shows your route to school.

## Extra Activities to complete if you wish to

- Make a model of your local surroundings - you can use whatever resources or materials you like. Try to include different features such as trees, roads, shops, houses etc
- Can you make your own model compasses and label the compass points on?
- Hide something in your house and design a treasure map to help a family member find it!
